11. Studio Twist incorporates bold botanical designs, latticework effects, ogee-like elements, and watercolor stripes into the Aloha collection. Patterns are rendered in rich royal blues and crisp whites, accented with a twist of lime. studiotwist.net

12. Samelson-Chatelane expands its library of heat transfer prints with Print Perspectives: contemporary patterns rendered in a variety of color combinations from brights to neutrals on the popular Medley base cloth. csamelson.com

13. Optima Leathers adds to its Corinne line with Corinne Orange, an aniline protected leather with a subtly stained finish for a sophisticated antique look. optimaleathers.com

14. Beauty and performance come together in **Duralee Contract's** new Luxe collection. Lush chenille solids, textures, and stripes in vibrant colors are made to mix and match. duralee.com

15. Designed by Back Lot Productions, with a nod to midcentury classics, the George lounge chair from **Custom Contract Furnishings** features a durable solid wood frame. customcontract.com
