

# STANDOUT SEATING

1

## 1. Flexsteel Hospitality

Flexsteel Hospitality's Clique Sofa has a classy yet modern look. The chair has a button-tuft detail on the in-back and accent welt along the seat and arms, contrasting its physical softness with the reflective pop of polished metal legs.

## 3. Hancock & Moore

The Soul Chair has gunmetal leather upholstery and polished silver nail heads. Designed by Mark Geotz, the Soul Chair mirrors the outline of a guitar, which can be viewed from its profile.

# FLIEPAPER

**FLIEPAPER** is a new wallcovering collection by celebrity photographer **Don Flood** in partnership with **Astek Wallcovering**. Graphic and sophisticated, each Fliepaper design is a textural symphony of color and design with an emphasis on scale. Fliepaper designs are printed using an eco-friendly process and can be customized in color and design.
